

Major Pre-Application Meetings are mandatory for all projects that will be approved by the Planning Commission or Board of Supervisors. In certain instances where a project may be considered minor and non-controversial a waiver of the mandatory Major Pre-Application Meeting may be approved by the Department of Planning and Land Use (DPLU). The applicant may submit this completed form to the DPLU Zoning Counter for DPLU's consideration. A DPLU determination on the waiver will be mailed to the applicant within five days of the waiver submittal request. Please note: Major Pre-Application Meetings are not required for cellular telecommunications facilities.
